Council Airs Row Over Cow

BELMONT, Jan. 26—Belmont's city council aired a row over a cow this week, Mrs. William Rehlich of Elmer St. complaining of the mooing of the animal owned by Peter Tedesco of Old County Rd.

Tedesco replied that his cow was not familiar with her new surroundings and consequently did considerable mooing at present, but that anyway the noise wasn't as annoying as the bleating of four goats owned by the Rehlichs.

The council asked Tedesco to get rid of his animal unless the disturbing noises stopped. He agreed to do so.

A regular police schedule designating duties for Chief of Police Fred Johnson and Night Officer Erwin Hansen will be drawn up by the police committee including Councilman Louis A. Barrett, Clifford Lussier and Louis C. Vannier, and submitted at the next meeting, it was reported.

A communication from A. T. McClennan, secretary of the McClennan Estate, reporting that 24 acres of their property has been illegally included in Belmont was referred to City Atty. Albert S. Mansfield, as was a letter from Seymour and Blanche Davison, operators of the Hillwell Rest Home, asking what, if any, city license they have to pay.

In keeping with other cities along El Camino Real, the council unanimously adopted the resolution for the restoration of "101" Highway designation to that thoroughfare.

Because of further complaints of people dumping rubbish on their property, Commissioner Barrett and Chief Johnson are making a close check-up, with arrests to follow if the practice is not stopped.

A letter from Mrs. A. W. MacAfee, complaining that the drainage is undermining her property, was turned over to the city engineer.

The trailer and billboard ordinance was laid over until the next meeting on account of the absence of the city attorney.

Association Denied Intervention Right

Judge J. J. Trabucco has eliminated the Baywood Property Owners Association from the San Mateo rezoning suit in which H. W. Regan seeks a portion of the swank residential district for business purposes.

Judge Trabucco sustained, without leave to amend, the demurrer entered by Regan to the association's complaint in intervention.

While the association declared that it was composed of property owners whose holdings would be directly affected by the outcome of the case, Judge Trabucco held that their interest is not direct.

TWO WINNERS

Two winning Ford products are pictured above in the shadow of Yosemite's world famous "Half-Dome" at the end of a gruelling 314.5 mile run. The Ford V-8 "thrifty 60" won its class with a record of 28.85 miles per gallon. This V-8 was entered in the contest by Al Steubing, Los Angeles Ford dealer. The Lincoln-Zephyr V-12, entered by Deaton and Roberts, hung up a mark of 23.4 miles per gallon to carry off top honors in its class and capture second place in the sweepstakes.

Boy Scout Finance Campaign Dates Set

Dates for the annual Boy Scout finance campaign for the southern division of San Mateo County have been fixed as February 6 to 28, and the quota as $2600, J. Franklin Reid, scout field executive, announced here.

The drive, the last independent one before the Community Chest drive for 1939 funds is held next Fall, is for funds for the current year; consequently the scouts will not benefit twice in one year—once from their own drive and once from the chest—but will use funds derived from this drive for the current year and money derived from the chest drive next Fall for the next year.

Committees to handle the drive will be announced shortly, Reid stated.

SAN FRANCISCO MAN LECTURES HERE ON CHRISTIAN SCIENCE

Health, abundance, and security belong legitimately to every upright man and woman, declared Peter V. Ross, C.S.B., of San Francisco, in a lecture on Christian Science given Sunday afternoon at Sequoia High School auditorium.

Mr. Ross, a member of the Christian Science Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, spoke here under the auspices of First Church of Christ, Scientist, of Redwood City. Referring to the practice of Christian Science from the basis that God is life and that man is an expression of divine Life, he said:

"Plenty of instruction in the art of healing may be found in the scriptures. 'Ye are my witnesses, saith the Lord.' Witnesses to what? Certainly God's man is not a witness to age, to disease, to weakness; but to that Life which is irrepressible, incorruptible, unconquerable.

BUSINESS AFFAIRS

"Man as God's witness reflects divine intelligence—all that is needed for success and usefulness. At this point you may see how readily Science may be employed in the ordinary affairs of life. It makes no difference what you are doing. If you are not getting along so well as you would like, and you are not, the difficulty lies in an apparent lack of ability.

"How may you experience the capacity desired? By reverently recognizing, as many times a day as you will, that in Science man is the reflection of all-knowing Mind, and therefore possesses requisite sagacity and resourcefulness.

"Let the individual in need of employment recognize that man has been brought into being for usefulness, that God has for him an undefeatable purpose, that there is need of him. Then let the individual go out and look for a position, expecting to find it and willing to accept it when found, and he is not likely to long remain unemployed.

"Let the business or professional man recognize that his enterprise has a commendable purpose in the community in that it affords needed employment and produces or distributes needed commodities; let him further recognize that his enterprise is sustained and directed by Principle and therefore that unprincipled forces of greed and rivalry and alarm cannot interfere with a right outcome of the undertaking. Let him insist that divine Mind is directing him and his associates and hence that mistakes and confusion and inefficiency cannot defeat the project. In such atmosphere failure becomes well nigh unthinkable."

FULLNESS OF LIFE

Asserting that Christian Science is easy to understand and rather readily applied to bringing about better conditions in life, the speaker continued:

"When we conceive of God as Life, and of man as the expression or reflection of this inextinguishable Life, we at once begin to grasp the scientific unity of God and man, we begin to appreciate the significance of the atonement or at-one-ment of man with God. We associate the atonement with Jesus because he actually proved his unity with indestructible Life. He permitted his enemies to try to destroy him. Apparently they succeeded. Presently he was back alive, the self same man. He proved that individual life cannot be extinguished, for the reason that individual life is a manifestation of the everlasting Life called God.

"Every time you voice one of these truths you will move toward the same demonstration which Jesus made. You will prove to some extent that your life cannot be brought to an end, that it cannot be weighed down by years, cannot be frustrated by failure, cannot be tormented by disease.

"It requires courage to talk with one's self in this way, so much indeed that many a time, if not on guard, you may say: 'How old I am getting, how sick I feel, how dreary are the prospects.' And every time you utter one of those untruths you add to the mesmerism which is already weighing you down.

"Then you ask whence comes the mesmerism of age, of suffering, of failure? Well, do you not dig these things up out of nothingness and hand them to yourself? But you do not have to argue in this devastating fashion. You can stop it today. You can, if you will, as you stroll down the street or carry on your work, talk with yourself of the omnipotence, the permanence, the buoyancy, the purposefulness, the glory of life, keeping in mind all the time that it is your life you are talking about. Thereby little by little, you will break the mesmerism which has been impairing your health, impeding your progress, even freezing up your existence."

BIRTH OF SCIENCE

In conclusion the lecturer reminded his audience that the world has definitely profited by the introduction of Christian Science through Mary Baker Eddy some four score years ago. "She discovered it," he stated; "proved, in healing the sick and troubled through its ministry, the soundness of its teachings; set forth its rules in her extraordinary book 'Science and Health with Key to the Scriptures'; and finally placed it on a workable enduring basis by establishing The Church of Christ, Scientist, whose activities have long since reached round the globe."

Club Installs, Hears Planner

SAN CARLOS, Jan. 26—John T. Kelly of 527 Hillcrest Rd. was installed as president of San Carlos Community Club last night. Lester E. Lafferty was installed as first vice president; Mrs. M. L. Soward, second vice president; Harold L. Jones, secretary; B. A. Lindberg, treasurer, and Dr. L. J. Seeley, sergeant-at-arms. Maj. Glen D. Gorton, past president, was installing officer.

Ronald Campbell, engineer for the San Mateo County Planning Commission, told of the services of the commission. He explained the survey made last summer of traffic to the various beaches and picnic grounds. He also displayed a chart showing the density of population in the county. Plans for acquiring recreational areas were explained, and he told of the various tracts of land along the beach and elsewhere already acquired, pointing out that prices now were not prohibitive but they might be within the next few years. Almost five miles of beach frontage has been acquired, he stated.

During the next two years, with WPA labor, improvements can be made. Campbell also told of improvement at Memorial Park.

He displayed a map showing the planned recreational center on the Flood estate.

Fred H. Drake spoke of the recreation problem in San Carlos. Mayor Asa Hull announced the election next month at which time four sites will be offered for recreational purposes.

One Suspect Admits Guilt; Other Denies It

John K. Treagle, 27, pleaded guilty Monday afternoon to second degree burglary while his companion, Frederick Fink, alias Roy King, pleaded not guilty. Both were arrested December 2 at a liquor store near Menlo Park.

Treagle, who pleaded guilty last week to charges of forgery and passing worthless checks, asked for probation on all three counts against him. The motion will be argued February 7. Fink's trial will be set January 31.

Entering of a plea by O. E. Potter, charged with operating an automobile without a license, was postponed to January 31. Frederick Davies, alias Fred Davis, was arraigned on a bad check charge. He will plead January 31. E. O. Apple pleaded guilty to check charges in Department 1 and asked for probation.

Because rabbit fur dyes well, it is used in great quantities in imitation of squirrel, seal, beaver, nutria, chinchilla, muskrat, ermine leopard and other furs.

Merry Miss and Her Mail

Pretty Patsy Sheldon is swamped by one day's entries in the Amusement Zone Naming Contest of the 1939 World's Fair of the West on Treasure Island in San Francisco Bay. The Fair is offering $1,000 in cash as a prize for the person suggesting the name selected for the Fun Zone.

Entire West Joins in $1,000 Name Contest

SAN FRANCISCO—From all over the West, entries are pouring in here in the $1,000 Amusement Zone Naming Contest of the 1939 Golden Gate International Exposition.

The 1939 World's Fair on Treasure Island in San Francisco Bay is seeking a short, catchy name that will best reflect the color, gaiety, romance and excitement of the 40-acre area that will be devoted to pure fun during the 288 days of the Exposition.

World famous showmen and concessionaires are planning amusement features that will be dramatic and bizarre and replete with pomp and pageantry. The music and entertainment of foreign lands will vie in appeal with roaring thrill rides, underwater excursions and girl shows in the Hollywood manner.

The prize of $1,000 will be paid for the winning name—but it must not be more than three words in length. Submit as many names as you like, but be sure each is on a separate sheet of paper with your name and address. Entries must be received not later than midnight February 18. Address them to the 1939 World's Fair Contest Committee, Treasure Island, on San Francisco Bay.

Two Clubs Support Cleanup, Tree Moves

More support with offers of assistance for the twin "clean up" and plant moves currently underway came this week from the Redwood City Exchange Club and the Kiwanis club.

Unanimous endorsement of the Redwood City Eagles' "Clean Up During 1938" proposal and of the city council's suggestion that trees be planted along city streets was given by the Exchange club at its meeting last night. The community service committee, composed of Kenneth W. Van Gundy, Harvey E. Conner and W. W. Hendricks, was designated to lend aid in the two movements.

A suggestion was also approved that the club urge the city administration to designate one of its employes to patrol downtown streets on Saturdays and Sundays to keep litter of various kinds gathered up.

The Kiwanis club endorsed the two movements at its noon meeting today.

Car 'Circus' Brings Arrest of R. C. Youth

Winslow St., paid a $25 fine in Judge Edward I. McAuliffe's court Monday on charges of reckless driving filed by Redwood City police. Stambaugh was arrested when police discovered that he was trying to run an "automobile circus" on a wet pavement.

Stambaugh was skidding his car purposely, police charged, endeavoring to make it circle completely on the wet pavement.

Dancers Practicing For Benefit Show

Three choruses of dancing girls will add beauty to the Kiwanis benefit show, Pirate Gold, when it is presented on the nights of Feb. 3 and 4 at the Sequoia High School Auditorium.

The girls will dance to numbers from Broadway productions and will be in captivating costumes.

The following girls have been practicing afternoons in the Sequoia dancing studio for the show: Shirley Bright, Esther Penna, Josephine Rudy, Eleanor Irwin, Mildred Irwin, Marie Anderson, Miriam Barton, Ruth Manhart, Marjorie Capps, Joan Lynn, Dee Scrivner, Betty Garcia, in one group; Dorothy Smith, Avis Lander, Anne O'Sullivan, Virginia Ashford, Rhoda Neifing, Ruth O'Gar, Caroline Mayo, Catherine Berges, Francis Peters, Judie Moore, in another, and Dorothy Jean Smith, Eleanor Balzarini, Mary Elizabeth Reynolds, Barbara Taylor, Thelma Morton, Betty Stone, Dorothy Wolfe and Mary Coats in the third group.

An unusual dance on stairs will be given by Miss Jayne Reynick, young tap dancer of Sequoia High School.

Director Dean Williams emphasized that Pirate Gold will not be like the Kiwanis Club show of two years ago, Womanless Wedding, but would be a musical entertainment with scenery and costumes.

Atherton Ponders Sewerage Problem

ATHERTON, Jan. 26—Atherton's unsewered northwest section will have to act for itself if it wants modern sanitary facilities, the town council indicated yesterday afternoon as it considered a preliminary report on the problem submitted by Engineer James S. James.

Action was deferred, however, until James and Alfred Dibblee, the town's attorney, can go into a huddle to decide which would be more advantageous legally and technically, development of the area under the North Fair Oaks Sewer District or consolidation with the Menlo Park Sanitary District.

Councilmen suggested that the county might be induced to assist property owners in obtaining sanitation, since the original North Fair Oaks district was begun as a joint enterprise of the county and Atherton.

Legion Awards Given Pupils

Beth Childs and Ross Axell received the semi-annual American Legion awards for distinctive scholarship and citizenship at McKinley Intermediate School Wednesday morning when awards were presented at a special assembly to those who will be graduated from McKinley tomorrow night.

Thirteen students who will be graduated with honors were presented with gold pins in recognition of their attainments in scholarship and citizenship, and five received safety commission awards.

The latter, presented by Jack Chappell, went to Robert Rogers, Leland Ralston, Billy Hirshmiller, Joseph Canfield and Vincent Walzberg.

Citizenship and scholarship pins were presented by Supt. Andrew Spinas to Karin Anderson, Doris Brown, Mildred Emig, Louise Manza, Patricia MacFarland, Frances Robinson, Roberta Southward, Beth Childs, Edythe Springall, Marian Ryan, Lyle Axell, Robert Norris and Hiroshi Honda.

Contributing entertainment at the assembly were Ross Axell, who played a violin solo, with Beth Childs as his accompanist, and Patricia MacFarland and Louise Manza, who took part in a forum discussion on the old and new type of school.

Woman Dies During Visit at R. C. Home

Taken suddenly ill with a heart attack, Mrs. Frank C. Heissner of San Francisco died Monday while visiting at the home of Mr. and Mrs. Harry J. Ellen, 415 Lincoln ave., Redwood City. Mrs. Heissner, who had been here for a week, leaves her husband and a daughter, Madeline Heissner, of Manila.

MENLO PARK NEWS NOTES

Disabled ex-service men at the Veterans' Administration Facility were entertained by a variety program in the Recreation Building last Friday night.

Hospital Chairman Isabelle Weeden Lindquist presented the program for the 26th District American Legion. Miss Anne Bullivant and Mrs. Mary Winter, both of Redwood City, and Comm. Charles Stocker of Belle Haven post, members of the committee, assisted with arrangements.

Mae Walford of Redwood City played musical glasses, accompanied by Clarissa Bray, also of Redwood City. Her selections ranged from grand opera to jazz. Robert Copp of Atherton played accordion solos, Carroll Harris of Atherton gave several violin selections and Victor Paschke, radio tenor, sang several numbers.

Dancing, songs, dramatic skits and tumbling were presented by the Dorothy Roberts Studio.

Miss Lillie Kuck, cousin of Miss Bertha Kuck and Mrs. J. B. Welsh, has left for a vacation trip to Jamaica. Miss Kuck is employed in the assessor's office in San Francisco. Her father at one time owned Pacific Gardens, Five Points, Redwood City.

Joseph Silva, a former Menlo Park resident, passed away at Sunnyvale Monday after a brief illness. While here the family lived in the O'Dea dwelling, Oak Grove Ave. The family is residing on the Alameda at present.

Rev. Father Thomas McKeon, pastor of the Church of the Nativity, is preparing a class of 100 for confirmation. The ceremony will take place in March.

Report of the postoffice here showed big gains over last year. Postmaster Morey has forwarded the report to Washington.

Bishop Edward L. Parsons confirmed a class in Trinity Episcopal Church Sunday. The bishop was assisted by Rev. Ralph Smith, pastor of the church. A large congregation witnessed the impressive ceremony.

The city council at its meeting Tuesday evening started a campaign to pave several streets in town. Work will start at once.

Although the city election is nearly three months off, many candidates for trustee are appearing but are a little shy in making announcements. It is rumored the incumbents, whose terms expire, will not seek re-election.

Toastmasters Ponder Variety of Subjects

From a book review to a commencement address ranged topics chosen by Toastmasters for practice talks at their meeting Monday night.

Under chairmanship of Louis B. Dematteis, Louis A. McAtee reviewed Emil Ludwig's book, "The Nile;" Donald L. Bogie gave a graduation address to elementary school pupils; Lewis Franklin urged the county to consider acquisition of an artificial respirator or "iron lung" through popular subscription, in a talk titled, "What, Another Donation?" and Milum Tackitt, using the subject, "Mushrooms," described the various kinds found in this region, telling which are palatable, which poisonous, and drew one general rule: Never pick a mushroom of a variety you haven't eaten before or know that it has been eaten before. W. Earl Whitaker served as critic.

HOSPITAL VOTE DATE SET

PALO ALTO, Jan. 25—On Tuesday, Feb. 15, citizens of Palo Alto will vote on the proposal to issue $175,000 in bonds to construct an 80-bed addition to the Palo Alto Hospital. Date was set by the city council.

Tree, Cleanup Plans Aided by Legion

Support for two current movements in Redwood City was offered today by the American Legion, Redwood City Post 105.

Both the street tree planting and the "Clean Up During 1938" moves received endorsement and a promise of aid and support "in any way possible," Legionnaires reported following their meeting Monday night.

The post also authorized Comm. Roger Walsh to appoint a committee to judge and award prizes for best editorials by Sequoia High School students on traffic safety appearing in the school paper. Prize money of $2.50 was appropriated.

The post advanced A. B. Blakely to first vice commander and S. J. Oakman, who has served as sergeant-at-arms for the past year, to second vice commander succeeding Blakely. The organization also presented to Maj. H. W. Edmonds and Millard W. Berry, commander and adjutant, respectively, for the past year, with citations "for zeal and leadership" awarded by the national commander for having attained a post membership during their administration in excess of the average post membership during the previous four years.

Following a report on last Friday's meeting with the high school trustees at which the post urged installation at Sequoia of an ROTC unit, the matter was discussed but no action was taken to revive or renew the recommendation.

SCOTTISH RITE DANCE SET

Plans were being laid today for a Valentine dance and card party Feb. 12 at which time the Peninsula Lodge of Perfection, Ancient and Accepted Order of Scottish Rite, will hold its annual Senior Warden's Night festivity. In charge of the affair will be Senior Warden A. Ralph Romer, according to Venerable Master William E. Tourtelotte.

SEMESTER ENDS WITH RITES; NEW SCHOOL PUPILS WELCOMED

Graduation Set Thursday in Redwood City, Menlo Park, Ravenswood

With close of the first semester of the school year due this week, Dist. School Supt. Andrew Spinas today announced that new kindergarten and first grade pupils may be entered in local schools next Monday.

The minimum age fixed by law for kindergarten pupils is 4 years 9 months, Spinas said. For first grade pupils, it is 5 years 9 months. Because the minimum age limits are fixed by law, no exceptions can be made, he emphasized.

Parents desiring to start their pupils should take them to the nearest school in the district next Monday morning and present the youngsters to the principal.

35 'Y' Boys Attend Mountain Day Outing

Thirty-five boys from Young Men's Christian Association groups in San Mateo County held a "mountain day" outing Saturday, going to Knight Wood near La Honda. Two trucks were used to transport them to their destination. Leaders for the outing were Thomas Badley, county "Y" director; Bert Werder, Ernest Werder, Lige Coleman and Norman Nevraumont.

NDGW Past President Succumbs in S. F.

Redwood City friends were saddened today by the death of Mrs. Margaret Grote Hill, past grand president of the Native Daughters of the Golden West, who passed away Monday in San Francisco.

Mrs. Hill, who had visited the local Bonita parlor on many occasions, was the organizer of the peninsula Past Presidents' Association No. 9 five years ago in Menlo Park.

Council To Aid Cleanup Program Urged by Eagles

Hearty support for the Redwood City Eagles' "Cleanup During 1938" campaign was given by the city council Monday and today the lodgemen were contacting representatives of other organizations in an effort to make the move a city-wide one with support of all lodges, clubs and other groups.

Appearing before the council at its meeting in Firehouse Auditorium, an Eagle committee headed by O. S. Oleson presented a resolution which was unanimously and enthusiastically adopted by the council.

The resolution follows:

Whereas, the Golden Gate International Exposition will be held in 1939 on the man-made island in San Francisco Bay to commemorate the completion of the world's two largest bridges—the Golden Gate Bridge and the San Francisco-Oakland Bridge, and

Whereas, many visitors from all over the nation and from all parts of the world will stay and visit in the cities around San Francisco Bay, and

Whereas, visitors are usually very critical of the community in which they choose to live or visit temporarily, and

Whereas, Redwood City has a large number of dilapidated buildings, barns, sheds and other structures which have outlived their usefulness, also broken fences, unpainted buildings, treeless streets and cluttered allays;

Now, Therefore, be it resolved, and it is hereby resolved, that the Fraternal Order of Eagles of Redwood City Aerie No. 418, through its committee, respectfully urges the City Council of Redwood City to adopt a "cleanup during 1938" campaign that will insure Redwood City of being a bright, spick and span city for our visitors in 1939.

In commending action of the Eagles, Mayor McCarthy pointed out that sponsorship of such a cleanup move by the Eagles likely would be more effective than such a move by the council itself. He also recalled that when the council began a similar move two years ago, it received some assurances that within six months or a year some dilapidated buildings would be torn down.

"You can now assist us in putting pressure on those people," Mayor McCarthy explained.

The council itself began the present movement by directing City Manager Dimmitt to remove a warped, wooden "No Right Turn Against Signal" sign on the Broadway-El Camino Real corner.

Edward P. ("Slip") Madigan, famed coach of the Galloping Gaels of St. Mary's, is a member of the intercollegiate sports committee of the 1939 Golden Gate International Exposition.

Fourteen of the 144 members of the London county council are women.

FREE TOURS TO PENINSULA

Visitors to World's Fair Would Be Shown Advantages of S. M. County

Free personal tours of San Mateo County for visitors at the 1939 San Francisco Exposition will be provided if present plans of the board of supervisors materialize, Supervisor Fred E. Beer told peninsula gardeners Monday.

Speaking at the annual banquet of Peninsula Gardeners Association at San Mateo, Beer revealed tentative plans to keep the 2-cent tax levy for the fair next year.

This levy would provide about $20,000, which, with the addition of expected contributions, would form a fund to provide sight-seeing buses to tour this county, showing homesites and other attractions.

"Every sunshiny day for the 10 months of the fair we would show the county to thousands of people," Beer said. "And many of these people would either stay or come back to make their homes in San Mateo County—people with enough to establish and develop the county, not to take our jobs from us. We hope that if the 2-cent tax is asked again next year for this purpose there will be no criticism."

The Mission Trails Association, of which Beer and Martin Poss are county representatives, is planning to re-enact, with figures, the entire Portola expedition as a feature in the old mission building. Individual counties, however, will prepare advertising pamphlets and literature from funds other than that provided for the association.

Two members of the exposition staff, Henry R. Sanders Jr. and Frederick Black, gave talks and showed pictures.

Max Leonard, county agricultural commissioner, was master of ceremonies, introducing honor guests.

Highlight of business was installation of C. J. Schromm, president; John Souza, vice president; B. J. McCarran, secretary; E. W. Pohlhammer, recording secretary; W. C. Schromm, treasurer; Frey Ayling, Frank Anderson and Stanley Pitcher, trustees.

Architects Offer World Fair Plans

The Mission Trails counties will be the first county group exhibiting at the 1939 world's fair in San Francisco to break ground on their exhibit building, according to Supervisor Fred E. Beer, who attended a meeting of the Mission Trails Association Exposition Commission in San Francisco last week.

Four competing architects submitted rough plans to the Mission Trails Commission, according to Beer, and a committee was named to prepare cost figures on each. The committee will report in 10 days.

Supervisor Beer explained that the state will provide each county group with an architect to design the exterior of the exhibit buildings in conformity to the general architectural plan for Treasure Island. Each county group must design and pay for the interior decorations, Beer said.

Relatives Identify Kern Amnesia Victim

Dr. Roy G. Labachotte apparently will have no opportunity at present to see if he can restore the memory of another amnesia victim. In reply to an offer he had made to Kern County authorities to try to help them learn identity of an amnesia victim in the county hospital at Bakersfield, the local chiropractor today received a letter from the sheriff's office there stating that the woman had been identified and taken to Los Angeles by her relatives.

Dr. Labachotte in December aided in restoring memory of James Saunders of Ohio, who had been picked up while wandering on a Redwood City street.

C.E. O'Connell, Kin of Local Family, Passes

State Employes' Head Succumbs on Visit To Governor

Comte E. O'Connell, member of the Redwood City O'Connell family and president of the California State Employes' Association, died suddenly of a heart attack in Los Angeles late Monday, relatives here were notified shortly after midnight.

Mr. O'Connell, who was chief clerk in the San Bernardino office of the State Division of Highways, had gone to Los Angeles for an appointment with Governor Merriam when he was stricken, the Associated Press reported.

TWO SPEED SOUTH

Upon hearing of their brother's death, R. E. O'Connell Jr., Redwood City postmaster, and Daniel O'Connell, local attorney, left for the south by automobile.

Other local relatives of Mr. O'Connell are his parents, Mr. and Mrs. R. E. O'Connell of 57 Fulton street; two sisters, Marie Fauline and Helen O'Connell, and two other brothers, Forestal and Lucien. He also leaves his wife, Floy, and son, Comte Jr., 12.

Mr. O'Connell, who was 40 last October, was a native of San Francisco but had lived in Redwood City for most of his life until he left here some 15 years ago. He was a graduate of Sequoia High School with the class of 1917. He later attended the University of Santa Clara for a time.

FUNERAL PENDING

He belonged to the American Legion and to the Elks lodge at San Bernardino.

Mr. O'Connell visited here on numerous occasions.

Ward Cuff, former Marquette fullback, whose 42-yard field goal enabled the New York Giants to tie the Chicago Bears, is considering an offer for a screen test.

County Jobless Distribution In Two Cities Told

Of San Mateo County's 2287 jobless persons as of November 20, 235 were in Burlingame and 270 in San Mateo, a tabulation of the unemployment census returns for cities with more than 10,000 population as of 1930 disclosed today.

Of the total, each city had 70 female unemployed residents. Total female unemployed in the county was 590.

Working on federal relief projects were 532 men and 102 women in San Mateo County, the returns showed. Of these, 41 men were in Burlingame; 56 in San Mateo, and 12 women in each of the two cities.

There were 1204 men and 221 women in the county who were partly employed but wanting more work. Of these, 116 men and 42 women were in Burlingame and 145 men and 27 women in San Mateo.

Palo Alto showed 327 totally jobless persons; 76 on relief work; 238 partially employed and wanting more work.

Figures were not made available for Redwood City or other cities which had less than 10,000 population when the last census was taken.

Total number of jobless in the United States was given as 5,821,035, with 2,001,877 being on work projects, including WPA, NYA and CCC—a total of 7,822,912 seeking private jobs.

BURNING CAR SAVED

When the alarm was set off Monday night at 7:30, firemen scrambled aboard three of the engines and went to Brewster and Elwood Sts., where they found a roadster some four years old on fire. They put the fire out in short order.

The ancient Cyrenians had a god of flies called Achor.

Sheriff Suffering From Heart Attack

Sheriff James J. McGrath was in Stanford Lane Hospital, San Francisco, today suffering from what hospital attendants described as a slight heart attack. He was reported "feeling better," his nurse said, but is not permitted to have visitors. "He must be kept very quiet," she said.

Boxer Chooses Wrong Opponent For Altercation

John F. Garcia, 23, the "Young Garcia" who fought at Dreamland in San Francisco last week, picked the wrong opponent on Bayshore highway Saturday night when he inadvertently rubbed fenders with Dep. Dist. Atty. Louis B. Dematteis.

Dematteis and Garcia were both going south near the scene of the August 4 crash which killed Mrs. Catherine McGuire of Los Angeles and resulted in conviction last week of W. W. Hendricks Jr. on charges of negligent homicide.

Dematteis had visions of another fatal accident as he watched Garcia's car weave back and forth on the highway.

Unable to pass the prizefighter, the county official succeeded in forcing Garcia's car to the side of the road.

He told Garcia to pull into a service station at Broadway, Burlingame, and "sleep it off." Instead, Garcia zoomed back onto the highway and drove off at a high rate of speed.

Dematteis notified Burlingame police and set out in pursuit.

He caught Garcia at the entrance to Peninsula Beach, but this time he wasn't fooling.

He told Officer Carl Schwahn, of the Burlingame police department, to arrest Garcia on reckless driving charges. Garcia was booked at the Burlingame jail, and this morning was a contrite young man. He pleaded guilty, and told Judge Stone that he was sorry. He added that his wife, who lives with him at 2725 22nd St., San Francisco, is an expectant mother. The judge fined him $25, and let him go free with a down payment.

CUTS THROUGH WALL

SAN MATEO, Jan. 25—Twenty dollars in cash and cigarets and liquor were stolen from the Glaser Bros. store here early today by a burglar who gained entrance by cutting through a plaster wall from an adjacent vacant store.

Thomas Hardy's ashes were buried in Westminster Abbey, but his heart was buried in his parish churchyard in Wessex.

$520 Port Dredging Fund Returned Here

City Manager C. L. Dimmitt has received $520 from the War Department as money due back on the city's outlay of funds for the dredging of the harbor and berthing area at the Port of Redwood City.

Before the War Department would let the contracts, Redwood City put up enough money to cover half the cost. The $520 is the unused surplus of that outlay.

LEGALS

K. R. McDougall, Atty.
ORDER TO SHOW CAUSE
No. 28062

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Application of ENRICO MOLINAROLI, also known as HENRICO MOLINAROLI, also known as E. MOLINAROLI, also known as HENRY MOLENAROLE, also known as HENRICO MOLENAROLE, also known as ENRICO MOLENAROLE, also known as HENRICO MOLINARI, also known as ENRICO MOLINARI, also known as HENRY MOLINARI, also known as H. MORA, also known as HENRY MORA, also known as E. MORA; and HENRY MOLINAROLI, also known as HENRY MORA for Change of Name.

ENRICO MOLINAROLI, also known as HENRICO MOLINAROLI, also known as E. MOLINAROLI, also known as HENRY MOLENAROLE, also known as HENRICO MOLENAROLE, also known as ENRICO MOLENAROLE, also known as HENRICO MOLINARI, also known as ENRICO MOLINARI, also known as H. MORA, also known as HENRY MORA, also known as E. MORA; and HENRY MOLINAROLI, also known as HENRY MORA, all residents of the County of San Mateo, State of California, have this day filed herein their application praying for an order of this Court changing their present names to the proposed names of respectively, HENRY MORA and HENRY MORA.

IT IS ORDERED that all persons interested in the above-entitled matter appear before the said Superior Court (in Department 2 thereof), at the Courthouse in said County, on the 28th day of February, 1938, at 10:00 o'clock A. M. of said day, TO SHOW CAUSE, if any they have, why the said application for change of names should not be granted.

AND IT IS FURTHER ORDERED that a copy of this order be published in The Peninsula Beacon and Redwood City Advertiser, a newspaper of general circulation printed and published in the said County of San Mateo, for four successive weeks prior to the 28th day of February, 1938.

DATED: January 27, 1938.
J. J. TRABUCCO,
Judge of the Superior Court.
K. R. McDOUGALL,
American Trust Company Bldg.,
Palo Alto, California,
Attorney for Petitioners.
(ENDORSED) FILED, Jan. 27, 1938.
W. H. AUGUSTUS. Clerk.
By MURA B. STILLESON,
Deputy Clerk.
Published in Peninsula Beacon Jan. 28; Feb. 4, 11, 18, 25, 1938.

TECHNICOLOR COMEDY AT SEQUOIA

Frederic March and Carole Lombard share honors in "Nothing Sacred," the lifelike technicolor feature which will head the double bill at the Fox Sequoia Theater this Sunday, Monday and Tuesday. "Quick Money," with Fred Stone, will be the other feature.

'Democracy' Urged For School Pupils

BURLINGAME, Jan. 25 — Give students meaningful experiences.

Give each student the feeling he has a definite part in the school's program.

Eliminate "Don'ts" and concentrate on "Do's."

Give each student a chance to progress at his own rate of speed.

Make the classroom a place to study democracy.

Make the student prize doing a job well, rather than striving for high grades.

These six points were made by Helen Heffernan, chief of the division of elementary and rural schools of the State Department of Education, in a talk in San Mateo at a dinner meeting of the County Elementary and Intermediate School Association.

Presiding at the dinner at the Oak Tree Gardens was Lauretta Paulsen, principal of McKinley Intermediate School, Redwood City, and president of the county association.

High school principals of the county, six school superintendents, Dean Charles S. Morris of the junior college; Miss Pansy J. Abbott, county superintendent, and other education officials attended.

Highway Importance Stressed Before Club

MENLO PARK, Jan. 26—Henry Witte was the speaker at the first of a series of monthly dinner meetings held last night by the Menlo Park Business Improvement Club.

Plans for widening El Camino Real from Broadway to the bridge at the county line and the importance of accomplishing the task before the 1939 exposition, and the campaign to have El Camino Real again designated as Highway 101 were told by Witte, Redwood City planning commission chairman.

Newspapermen Return From Publisher Meet

Back at their jobs today were Peninsula Newspapers Incorporated's representatives to the week-end convention at Riverside of the California Newspaper Publishers Association, over which George Morell, president of the newspaper firm and of the CNPA, presided.

The largest attendance ever recorded for a similar convention was reported by the returning delegates, who included Ray Lovett, general manager of Peninsula Newspapers Incorporated, and Mr. and Mrs. Sam H. Winklebleck. Winklebleck is publisher of the Tribune.

As retiring president of the association, Morell becomes a member of the executive committee.

The University of Pavia, Italy, was founded in 825.

Still Coughing?

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

'Brief Case Burglar' Is Sought in Theft

Dep. Sheriff Hugh F. Williams today started searching for a "brief case burglar" who took $45 from a service station till at University Ave. and Bayshore Hwy., East Palo Alto, shortly before noon.

Peoples Smith, owner of the station, told Williams that he was putting license plates on a car when he saw a man with a brief case enter the station. While Smith was occupied with the license plates, the stranger pulled open the drawer of the cash register, extracted the money and made his getaway.

He left some fingerprints on the register, Williams said. The prints are being developed and will be sent to Sacramento for checking with files there.

Katharine Cornell was born of American parents in Berlin, Germany.

52 Disease Cases Reported in Week

Fifty-two cases of communicable disease—a record for the new year — were reported here for the week of January 22 by the county public health board.

Whooping cough, mumps, and chicken pox accounted for 34 cases. Most serious figure on the report was 11 cases of scarlet fever, 7 of which were in Redwood City.

Menlo Park reported 10 cases of chicken pox, with 5 more in the rural area. Daly City reported the most whooping cough with 6 cases. All of the 6 cases of mumps were in South San Francisco.

Tris Speaker, famous center fielder and manager, maintains that Joe DiMaggio and Julius Solters are the only two outfielders in the major leagues today with worthwhile throwing arms.

Polling Officer Applicants Asked To Submit Names

County Clerk W. H. Augustus announced today that his office is now receiving applications from persons who wish to serve as election officers in 1938. Applicants should address a letter to the clerk's office, giving their addresses as shown on the affidavit of registration.

Augustus warned that only those who are properly registered may be considered, and that he will give preference to unemployed whenever possible. Applicants must give their full given names and complete addresses, and any previous experience as election officers. No appointments will be made until Aug. 10.

Augustus also announced that any persons desiring to furnish polling places should submit them, together with a description, and a statement of whether or not they will be able to furnish a large table, six chairs, light, heat and comfort facilities.

M. P. To Proceed With Street Plans

MENLO PARK, Jan. 26—Formation of a special assessment district for a central Menlo Park street improvement program will continue under the provisions of the 1911 paving act, following failure of protestants to muster sufficient strength to block proceedings at a public hearing last night before the city council.

The paving, gutter, and curb construction program will cost an estimated $25,000; it was initiated by petition of taxpayers on University Dr., Menlo Ave., Evelyn, Crane, and Chestnut Sts., May 11 last year.

In regular session, the council heard a suggestion from Col. Scott Smith that the city investigate th possibility of obtaining a federal recreational project.

Councilman Dunn was appointed to examine possibilities of the program.

Final approval was granted on an eight-lot subdivision, Moore Acres, occupying ground between Valparaiso and Santa Cruz Aves. between San Mateo and Maple Aves. The home sites will be served by construction of a cuide-sac, Robert Dr., opening on Valparaiso Ave. The Pacific Se-

San Carlos Sets Bond Vote Mar. 16

SAN CARLOS, Jan. 26—The San Carlos City Council met in a special session last night and introduced a resolution calling for a bond election on Wednesday, Mar. 16, for the acquisition of parks and playgrounds in San Carlos.

The four sites up for consideration are: (1) Woolsey property adjoining the city hall, including existing buildings, $7900; (2) Block 6 in the Howard Park subdivision, 5.2 acres, $11,200; (3) Bertini property in the San Carlos Gardens subdivision, 3.68 acres, $9000; (4) Brittan Park, 2.16 acres, $3300; or a total bonded indebtedness of $31,400.

Each parcel will be voted on separately, so the people can authorize purchase of any or all. There will be two precincts, one at the City Hall and one at B. O. Hill real estate office. The polls will be open from 6 a.m. to 7 p.m., and it will take a two-thirds vote to carry each proposition. No improvements are included in the price of the property.

Many Charges Made In New Trial Motion

W. W. Hendricks Jr., Santa Clara University football player, appeared in court today with his attorney, Edmund Scott, to file motion for a new trial. Judge J. J. Trabucco arraigned the youth for judgment on charges of negligent homicide, and set Feb. 5 to hear arguments on the new trial motion.

Scott's motion charges misconduct by the jury, prejudicial misconduct by Dep. Dist. Atty. Louis B. Dematteis, and declares that the jury received evidence out of court, that the verdict was not a fair expression of the opinion of all the jurors, that the court misdirected the jury in matters of law and erred in decision of questions, that the verdict was contrary to law and that new evidence has been found.

Hendricks, son of the deputy county engineer, was accused as the result of an accident Aug. 4 in which Mrs. Catherine McGuire, 30, Los Angeles, was fatally injured.

curities Company is the subdivider.

Councilman Henry Carroll was authorized to arrange a meeting between the State Highway Division and Menlo Park city officials and civic organizations to discuss be proposed widening of El Camino Real through the city.

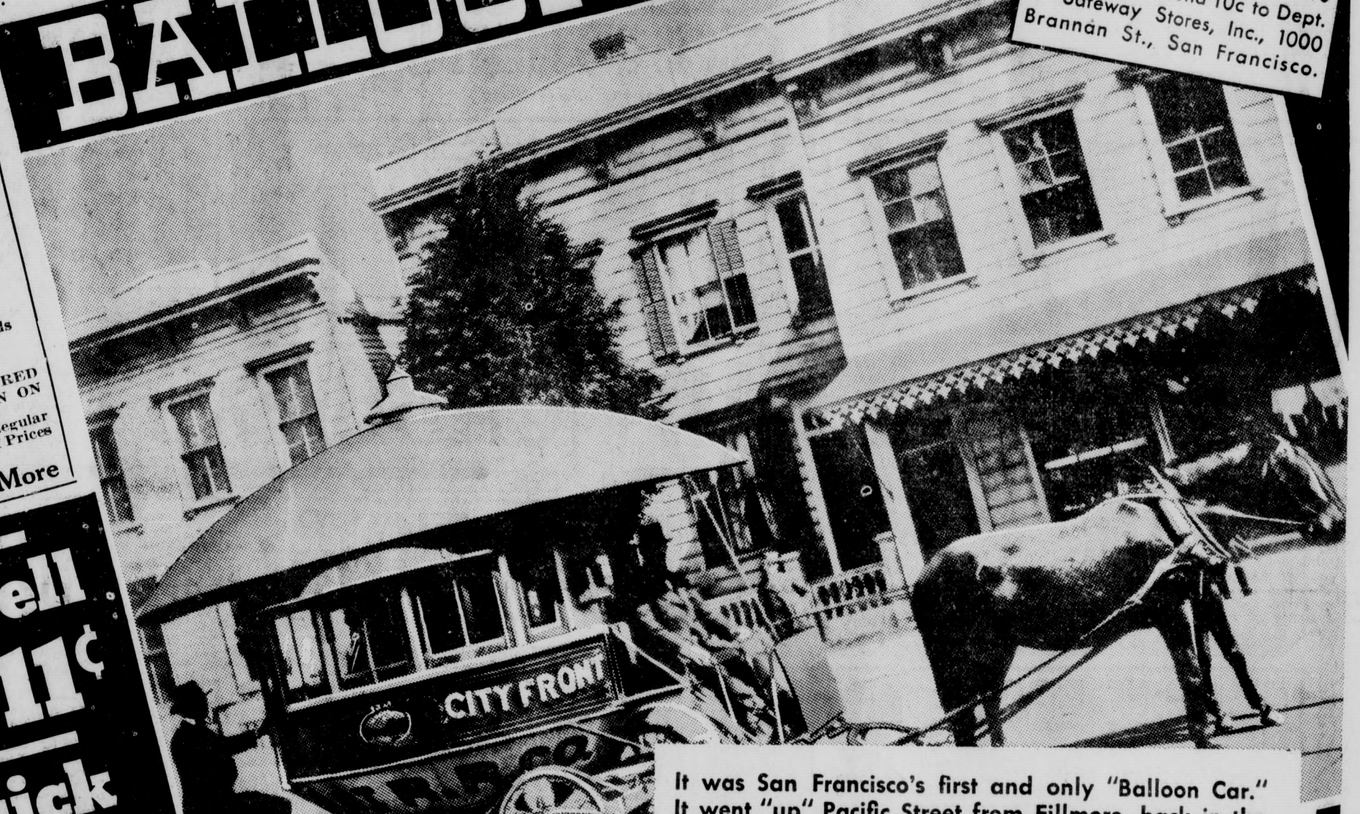
BALLOON CAR famous in old San Francisco

FOR ACTUAL PHOTOGRAPH of the "Balloon Car" (8 x 10 inches in size) send 10c to Dept. K Safeway Stores, Inc., 1000 Brannan St., San Francisco.



It was San Francisco's first and only "Balloon Car." It went "up" Pacific Street from Fillmore, back in the 70's and 80's.

How come the name? The car was the size and shape of an old-time balloon gondola.

Transportation has grown up a lot since this pioneer was the last word in speed...just as the food business has come a long way from the old cracker-barrel days.

Keeping step with San Francisco's growth, Safeway is always improving methods to get fine foods to you faster, cheaper, with less cost along the way from the farm to your table.

SEE FOR YOURSELF

SEEING is believing. You will be amazed at the abundance of softly diffused, soothing white light a Better Sight lamp puts forth. You will see why these modern lamps are rapidly supplanting the old fashioned kind. You will like their graceful beauty that will make any room more cheerful and attractive. You owe it to yourself and family to come in and see the many smart styles in these better lamps. Prices are very reasonable.
